The call I made to IMH was the best call I ever made. My new girlfriend is more than happy with my performance in the bedroom, the program really worked for me."

Giant Joe Blakes good for the country

QUEENSLAND's Glass House Mountains, 100km north of Brissy, Qld, are full of beaut nature, the likes of which make Australia the envy of the world.

Heaps of it is as cuddly as all fuck – furry critters like bilbies and koalas and all that shit – but to counterbalance the cuteness factor, there's also a stack of your more slithery type of fauna, such as this this three-metre-plus carpet python.

This is the stuff the tourists wanna see – life-threatening, pre-historic creatures with bad attitudes and a taste for human flesh.

Because, while WE all know that basically, this massive cunt is about as dangerous as your average three-week old kitten, it LOOKS like it could swallow a man whole.

So Brock from Indiana, or Hans from Dusseldorf can go home and tell his buds how he barely escaped with his life when he encountered this Aussie KILLER SERPENT.

And FOREIGN CHICKS who scope our JOE BLAKES inevitably crack big DANGER WIDE-ONS, which then has to be filled by some HOT LOCAL COCK at the camping ground later.

So, not only does this big fella keep our tourism industry going, he helps us SCORE ROOTS.

What a champion! ■ Picture

Tasha THE FLASHA

She's a party in high heels!

New Tits On the block

Adam Turner

YOU know those Pommy model babes who are always falling out of nightclubs pissed with their undies in their handbags and their EARS around their KNEES?

Good news – Natasha Anastasia's definitely one of 'em. She loves to get on the ran-tan.

Nat, 27, is never so happy as when she's half-naked, hammered and boogying her beaut butt off in one of those ritzy nightclubs full of soccer players and soapie stars.

MORE TASH THIS WAY...

"I FLASHED MY BOOBS AT A TRUCK DRIVER"

New Tits On the block

Of course, sometimes she comes a cropper, but that's all part of the fun.

"I fell over drunk at the weekend and a bouncer had to put me in a taxi," she recalls fondly.

"I tend to go out knickerless with short skirts on, so I must have flashed everything!"

That's another nice thing about Nat – when she's having a good time, she likes to make sure other people have a good time too.

"My nickname is Tasha the Flasher," she reckons. "I flashed my boobs at a truck driver once. I was with some mates and they dared me to pull my top up, so I did!"

The COCK-BOGGLING blonde was born in Cyprus, raised in England and has adopted all those appealing NATIVE WAYS of drunk Pommy models we've come to know and love.

"I ended up snogging quite a few of the girls that night, too. We usually do it in front of guys because we know how much it turns them on!"

See? She's actually CONCERNED that other

people might not be enjoying themselves as much as she is, and goes out of her way to HELP THINGS ALONG.

On the PERSONAL SIDE, she says she'd like to have a champagne-soaked threesome with Enrique Iglesias and Angelina Jolie, and outdoor rooting is always on the cards when she's got a head of steam.

"I love having sex outdoors!" Nat enthuses. "My most memorable places have been at the beachand in someone's garden."

So next time you're planning to crack a few cans in convivial company, invite Nat along. She'll be the life of the party! ■ Picture

YOU'RE KIDDING!

GENIUS Pom John Bitmead has built an adult-sized, roadworthy version of the Little Tike Cozy Coupe kiddy car beloved of rugrats all over the world. And it can be yours for around A$45,000! Which is a bit more expensive than the toyshop version which sells for around $90, but those little plazzo jobs don't have an 800cc engine and chassis from a Daewoo and do a staggering zero to 100kph in a breathtaking 17 seconds! Johnno has used the little car as a charity fundraiser since he finished it in 2013, but now he wants to sell it to build an Addams Family-themed minibus. Is there no stopping the man?

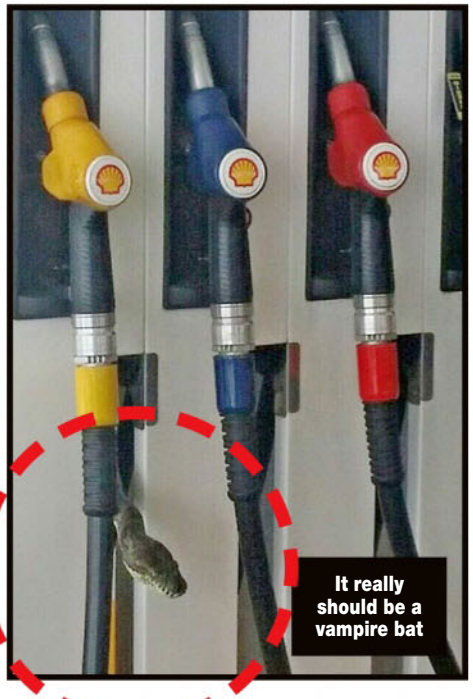
#255 WE DREW A COCK ON IT

SNAKE JUICE

CROCS have had their run. Sharks are so yesterday. It's time for snakes to take over! Beautly cementing Oz's reputation as THE place to get killed, a bloke found a three-metre carpet snake wound around the nozzle of a petrol pump as a station near Sydney's Kingsford Smith airport the other day. OK, carpet snakes are normally docile, harmless critters, but it might have had a gun, or a knife. You never know. Adzy Heist had just stopped to refuel when he noticed our hissy pal. "I thought no, that's not possible," he said. But as he looked closer, he discovered, actually, yes, it fucken was. Management at the petrol station sprang into action and bunged a traffic cone in front of the snakey pump.



THE PUMP-KING

PUMPKIN grower Tim Mathison's 820kg MEGA-VEG took out the first prize at the Elk Grove Giant Pumpkin and Harvest festival in northern California the other day. Nicknamed the Flying Saucer because of its flat, UNPUMPKINNY shape, it grew from a a mere PUP into the scary orange CUNTOX you see here under Timbo's expert cultivation, and probably heaps of cow shit. And now his mum's gunna make him eat it, we bet.

FOOT-LONG

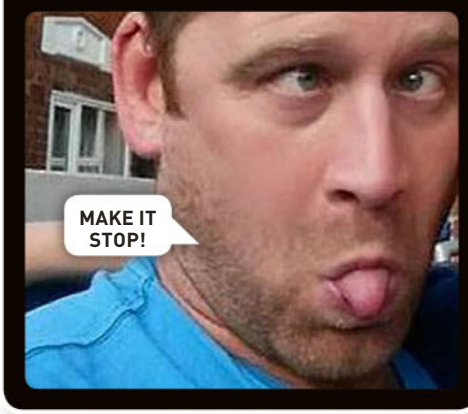
JEISON Hernandez, 20, from Venezuela, has just claimed the the Guinness World Record for having the biggest feet. He reckons his 40cm-long paddles are a great for playing basketball, but we reckon he's wasting his time, as it's obvious his future lies in kicking things. Sydney Swannies, sign this bloke!

CRASH COURSE

IF YA gunna fail, fail big time. That's what this learner-driver must have thought to herself when she smashed her car through the doors of the driving school in Bellevue, a suburb of Seattle. She came a cropper right at the end of her driving test. Police spokesman Seth Tyler said: "She was doing great up until that very last part... and drove through a plate glass window. So that was a fail on the test." Aw – mean!

5-DAY STIFFY!

A BLOKE who took 35 Viagra pills ended up in hospital with a diamond cutter that wouldn't go down for five days. Daniel Medforth, from East Yorkshire, UK, admitted he was a bit pissed when he took the pills as a joke. "I ended up feeling sick, dizzy and hallucinating, everything I saw was green. I had a massive erection that would not go away." After two days in hospital, Dan went home and spent a few days slamming his knob in the car door.



the Picture SPECIAL REPORT

SEX ROBOT RIPS OFF BLOKE'S GONADS

AN ENGLISH scientist was left writhing in pain after a home-made sex robot went haywire and ripped off his TADDY SACK.

SUNDAY Sport reports that 43-year-old Frank Marshall built the mechanical mistress – named Andrea – by combining an inflatable sex-doll with a pile of technical leftovers.

"I'd fitted electric warmers so she was body temperature, I fashioned a synthetic vulva out of soft plastics and even managed to solve the age-old problem of keeping robot-vaginal moistness out of the circuits," explains a clearly proud Frank.

"There were just a few things I needed to complete such as the voice synthesiser and hip-bucking servos, but I decided to give her a test run."

A moment Frank, of Cheshire, England, surely regrets.

"I thought I'd try out the handjob function," he grimaced. "For the first few seconds, all was well and I could feel the rapid approach of the vinegar stroke."

It was here that Frank realised it is sometimes better to not place all your trust in something created by man. Also, to not put your genitals in tight, mechanical grips.

"There was kind of a mechanical crunch, a smell of electrical burning and Andrea's hand gripped my ballbag like a vice. With the strength of the Terminator, she ripped my nads clean off!"

"For a second I felt nothing due to shock," admits the amateur Einstein. "When the pain came, it floored me. I managed to dial 999. Needless to say, the paramedics had never seen the like."

Safely back at home after surgeons managed to reattach his NEAR-DEFUNCT ball sack, Frank still holds his invention in high regard.

"Even if I do say so myself, she was a work of art." Picture

DUCK YEA

Feathery pal loves sinking piss and

A DRUNK duck came off second-best after starting a PUNCH-UP with a DOG.

Feathery alco Star, an Indian runner duck, lives in the FUCKEN QUAINT English village of Chulmleigh, North Devon, where he frequently GETS ON IT in the Old Courthouse Inn with his best buddy, Barrie Hayman.

But one afternoon, after Star had been hammering the piss, he went home and started QUACKING THE SHITS at Barrie's dog Meggie.

Meggie wasn't gunna cop abuse from some CUNT OF A DUCK, so the two went at it, and Star came out of the scrap with a RIPPED MANDIBLE.

Bazza reckons: "Star finally pushed his luck a bit too far, but he is a tough cookie. The vets are pleased. He's bouncing back nicely."

Which will be bad news for Meggie when Star gets his duck mates to go round and PECK THE DOG A NEW ONE.

Life's been pretty good for Star since Baz rescued him from an incubator four years ago and taught him how to SUCK PISS.

He's careful what he drinks, too, insisting on only the finest craft ales – none of your pissy EURO-LAGER for this duck!

Star's already getting out and about again for a few BEVVIES after his nasty brawl, but word has it that the fucked-up fowl felt like a BIT OF A GOOSE and has learned his lesson – from now on, he'll keep his BEAK BUTTONED. Picture

Celebrating vegetarianism – with gore!

Getty, Corbis, Alamy

OY!

EVERY year, the Thai champions who celebrate their veggie-ness by sticking OUTLANDISHLY STUPID stuff through their cheeks at the annual vegetarian festival in Phuket raise the stakes.

Used to be, they'd just stick some chopsticks and the odd biro in there. Then some bright spark stole his mum's best salad servers and stuck them in his face.

Now you wouldn't even park your postie bike on the street for fear it'd wind up stuck through someone's gob, dripping blood and spit.

Still, good on these perforated heroes for getting off the couch and making their own fun. ■Picture

DIRTY GIRL!!

Even porn stars have to wash their undies

DILLION Harper is a chubby-cheeked charmer who has CHARGED to the top of the porno tree, starring in such heart-warmers as *MILF Teen Cum Swap*, *Slutty Times At Innocent High* and *Bad Lesbians*.

She's been working FLAT OUT – and in several other INTERESTING positions – virtually non-stop since she first got into the biz, and while all work doesn't necessarily mean no play for young Dillion, she does find it hard to put time aside for those little domestic duties.

Y'know, like waxing the Porsche, SPIT-SHINING her dildo collection, or doing her laundry.

Yeah, believe it or not, Dillion does her own laundry. She has to, really, because every time she lets someone else do it, they steal all the good bits.

Due to her being a famous star of many highly-regarded fuckumentaries, Dillion's undies have become valuable

BAGS

DILLION'S UNDIES
ARE VALUABLE INTERNET ITEMS

items on internet fan sites, so these days she lugs it on down to the local laundromat herself, and stands guard over it while it sloshes around.

Of course, it'd be a waste of a trip if Dillion didn't dump whatever she was wearing at the time in there too, so quite often you'll find the rising young star of porn sitting naked in the laundromat having a quick diddle while she watches her own Reg Grundies rotate.

She might even jump in the drier for a quick TUMBLE herself, so she comes out all clean and fluffy and smelling like a combination of baby ducks, nan's scones and ZESTY LAGER.

Don't try that at home yourself, though, readers – Dillion is a trained porn star, and knows what she's doing.

But if you do run into her at the laundromat, ask her nicely, and she might let you wash your undies with hers. Then you'll be undie buddies! ■Picture

SHED HEADS

Oz's best MAN CAVES

WHO:

Ricky 'Glassy' Glass, warehouse manager

WHERE:

Tamworth, NSW

That's the Spirit, right there.

HOW LONG IT TOOK TO BUILD: Took three months with a couple of mates, but I've been collecting items since I picked up my first petrol bowser at the Gunnedah Swap Meet in September, 1997.

FEATURES: It's known as 'Glassy's Gasoline Garage' 'cos I collect anything petrol-related. I've got 45 petrol bowsers, 950 oil and grease cans, and over 150 signs.

FAVOURITE FEATURE OF SHED: My Plume Motor Spirit garage wall, from 1925 which I reckon is the rarest piece of petrol advertising in Australia, if not the world.

SHED MOSTLY USED FOR: Working on drag cars and it's where I park my everyday car, the EH Holden. I also do tours through the shed, and had around 3500 people come through last year.

BEST THING EVER TO HAPPEN IN SHED: There's too many to name. All the sex I have in the cave is pretty good, and then just hanging out with mates and fixing up drag cars.

WHY I LOVE MY SHED: The size – it's 30x9 metres, it's all about the size. And with everything inside, I like to think I'm keeping history alive! I've got a shed that people only dream about.

And you thought we were the best knob artists

WHEN two Melbourne plumbers started drawing dicks on their workmates' newspapers, little did they know it would start an ARTISTIC REVOLUTION.

Much like THE PICTURE's own We Drew A Cock on It, the Facebook page Drawing Dicks On The Herald Sun (DDOTHS) has become fuggin' YOOOJ, with heaps of contributors and 380,0000 followers.

And now DDOTHS is the subject of an upcoming doco, and DDOTHS artwork will be exhibited in Melbourne at Artboy in Greville Street, Prahan, from Feb 26 next year.

So we asked co-founder Dylan Merritt just what the fuck he was thinking when he started it. "I still don't have a solid answer. We did it when we were kids, and it was hilarious. These days, it's still just as funny and I think it's because we are still children at heart, despite us having mortgages and children."

Do you have a FAVOURITE DICK?

"Not really. Not every dick has to be a masterpiece. I prefer the basic drawings that let anyone feel they can participate."

Why do you think DDOTHS has become so popular?

"I have no idea where all those people came from, as we haven't put anywhere near as much energy into the page as we wish we could have. We have to play it safe because of the threat of a permanent ban (from Facebook)." ■ Picture

COME TO MUM

Is this Oz's hottest 41-year-old?

ANYONE who says experience doesn't make you better in bed is either YOUNG or DUMB. Testifying to this is 41-year-old MEGA MILF Carly from Perth, who likes rooting more than Warnie likes smoking durries. "Some things you can't discover from reading a book or watching the gogglebox." ***Wise words, Carly. How do YOU learn new stuff?*** "I've slowed down learning new things since I had kids, but if something new comes up, I'll jump at it." ***And when didja last JUMP at it?*** "I slept with a guy in his twenties a few weeks back. It was just a one-night stand and I don't think he knew I had kids or anything until he got back to my place, stepped on a toy car and hurt his foot." ***Did he learn a thing or two?*** "I think so, I stuck one of my fingers up his bum while we were going at it and he shot about a metre in the air!" ***Ouch! Hopefully they were trimmed...*** "Nope, they were freshly manicured and I had fakies put on, so they were really long and a little bit sharp." ***So what exactly did you teach him?*** "Umm, expect the unexpected!" ■ Picture

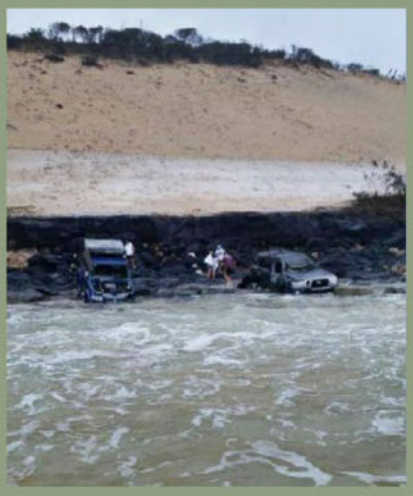
CAR-EATING BEACH!

Sandy champion eats 10 vehicles a year



THERE's a horror movie waiting to be made at Rainbow Beach, near Maryborough, Queensland – the beach is ALIVE and it EATS CARS.

Just bung a chick with big tits and a bloke with a shottie in it, and you're onto something, we reckon.

The potential Oscar-winner has its genesis in the rather fucken treacherous sands of Rainbow Beach, where enthusiastic-but-stupid holiday-makers are always getting their cars bogged and then smashed by the incoming tide.

"We lose maybe around ten a year," says Carolyn from Rainbow Beach Towing.

"And we save another five or six as well. That's if they call quick enough."

What kind of people get stuck?

"It's a mix; you've got the people who're inexperienced, who just don't know what they're doing. But then you also get the ones who say "Oh, I've done this a thousand times before, I'll be fine", and then they're not, and we'll come pull them out. A few locals sometimes even set up a couple of chairs, have a drink and watch the action."

Sounds like fun. What about casualties?

"None to my knowledge. One guy who had all his worldly possessions in the car and kept trying to get back in to retrieve them, but we just had to calm him down and warn him that it can become quite dangerous when the waves start crashing and rolling the car around."

Then there was the sinkhole...

"I believe it was actually a landslide. It swallowed up a caravan, a 4WD, a camping trailer and a few tents."

There's your sequel right there. Get Stephen King on the line, this is going to be HUGE. Picture

The noble art of punching on

Picture Media

WOOSHKA!

What with this newfangled UFC stuff getting all the headlines these days, good ol' punch-'em-in-the-face boxing seems to be taking a back seat. Which is a fucken pity, because it's the DUCKS'GUTS – two big strong blokes with the gloves on, in the squared circle, tryna knock each other unconscious without recourse to kicking, kneeing or all those other shenanigans not endorsed by the Marquis of Queensberry. Here we have Pommy Tom Stalker tagging Welshman Craig Evans with a delicate left cross to the jaw, which seems to have immediately re-set Craig's headlights to 'dim'. Just take a good look at the boy – he doesn't know where the fuck he is. Probably wishes he was somewhere else. But the plucky scrapper managed to hang on, and the fight for the vacant WBO European lightweight championship went the distance, only to to be scored a draw, so they can come back and do it all again in a couple of months. That'll be fun for them both.

Talking Dirty

100% uncensored sex advice from Australia's hottest stripper!

SILENT BUT VIOLENT

HEY TRIN, I've got a bit of a farting problem. I always seem to let rip during intimate moments. The weird thing is, I never cut loose during the day, but when I'm at home with my lady, my arse just has zero respect for any conventions, let alone not gassing the missus. What on earth could be doing this?

BUM, ALLAMBIE HEIGHTS, NSW

TRINITY SAYS: ***It isn't until you sit down and relax that you start to process all the food you've eaten that day. The gases build up, and you're relaxed enough to let rip. Try to hold it in, or take a step outside.***

STIFF'S THE WORD

HI LUV, my hubby is having a little difficulty getting his pecker up for me. We've been married for fifteen years, so it's understandable that he might be getting a little bored. But I was thinking maybe I can spice it up a little in the bedroom? I've never done anything kinky, so what would you suggest for a first-timer?

SHELLEY, CURRUMBIN, QLD

TRINITY SAYS: ***Toys and dressing up in some either sexy lingerie or a cute little fantasy costume. These are very basic, plus shopping for the sex toy is a fun place to start and good ice breaker. Plus you can both pick something you'd enjoy.***

TINY COCK

G'DAY TRIN, I have a small problem. Like, microscopically small. It hangs between my legs like a champignon mushroom and when angry, probably gets to two centimetres. I try and see the funny side of it, and I've penetrated a couple of sheilas who didn't mind the size. What can I do? I've looked at getting operations to add fat to the diameter of it, but basically I'm stuffed. Do I buy a plastic penis?

ALUN, OLD TOWN, SA

TRINITY SAYS: ***Poor thing. an extension sounds like a good idea – maybe even a strap on. If your cock's that small, maybe you can slip the fake one in her pussy and your real one in her arsehole – lots of fun for you both.***

TRINITY'S SEX TIP

Some things are better left unsaid. You might think you're being funny but to others, you might be offensive as fuck. If you wish to keep from feeling the wrath, keep those lips zipped!

FORESKIN DIVER

I SUFFER from a condition called phymosis, which is a fancy way of saying my foreskin is too tight. Basically, it starts as a fungal infection and causes scarring of the tissue around the glans. I've tried all kinds of things to clear it up, but after about five years, my cock is frankly unusable for anything, even urination is painful. What possible complications could there be from circumcision for someone of my age (39), apart from an accidental amputation?

DAVEY, PERTH, WA

TRINITY SAYS: ***Dude, it's 2015! If you go to a reputable surgeon, get the circumcision and follow the correct after surgery care e.g. cleanliness and medication, you'll be absolutely fine. Get it done; you'll regret not doing it sooner.***

DREAM WEAVER

I'M IN a relationship with a woman I really love, but I keep having these ridiculous dreams about someone else, someone who's pretty unattainable for a bloke like me. The weird thing is, there's nothing 'dreamlike' about these dreams. They are completely realistic, and involve me making love to this woman. Several times I've woken up with wet shorts from having these massive spoofs in my dreams. It's getting to be a problem because I keep murmuring this woman's name in my sleep. What would you suggest?

DON, BARCALDINE , QLD

TRINITY SAYS: ***Wow! I'd love to be having those dreams! Go see a dream reader. You may be interestingly surprised in what the dream could actually be referencing too, and take your partner with you. It's nothing to stress about!***

OPEN THIS!

WHO IS the fucking lunatic that invented condoms and why did he make the packets so bloody hard to open? I swear I lose my perfectly good hard-on every time I have to stop a good thing to try and tear the foil package open. A real boner killer.

THOM, REGENTS PARK, NSW

TRINITY SAYS: ***Dude, condoms were invented to stop the spread of STDs and unwanted pregnancy! It's really not that hard. Perhaps you need a little practice or better yet, get the girl to put it on. It's even sexier that way!***

DOESN'T SUCK

TRIN, I'VE got a confession. I'm a 31-year-old woman and I've never had a man's penis in my mouth. I don't really know how I've gotten this far without doing it, but I just can't do it. I've met and fallen in love with a man who is amazing as a lover, and who goes down on me regularly. But I have this phobia about sucking cock. What should I do?

SHY SHEILA, FRANKSTON, VIC

TRINITY SAYS: ***Turn the lights off so you can't see it and imagine it's a lollypop. Sometimes it's the sight of the penis that's off-putting, not the actual action of putting it in your mouth.***

SHE'S GOT THE CLAP

I'VE BEEN in a relationship with a guy for the last few months, and I had an incredibly painful vagina the other morning and so went to the doctor. He diagnosed me as having herpes. When I confronted my man, he looked absolutely aghast, and denied knowing anything about it. I believed him because he looked so shocked. He's been so loving and kind that I really struggle to believe that he might have already know he had it. Would you believe him?

SNAKEBIT, LISMORE, NSW

TRINITY SAYS: ***The severity of herpes range from person to person. Someone may not even know they've had it, and pass it on accidentally. Not sure how I'd feel about it, to be honest.***

BIKES OR BROTHEL

I HAVE this mate of mine, Joe, who was in a real bad motorcycle accident three years ago. After two years of intensive rehab and workouts, he's almost back to where he was before the accident. Here's the rub: he wants to ride a motorcycle again. I got pissed off with him and told him I'd get him three hours in a brothel with as many sheilas as he could possibly handle. His cock was about the only thing on him that didn't get broken in the accident. How can I get him off the path back to the motorcycle and instead, onto the path of plentiful, painless pussy? Help!

ANNOYED, DUNDAS, NSW

TRINITY SAYS: ***Accidents happen. That doesn't mean you go through life not living it how you want, or doing the things you want to do. What if you fall over and break your leg walking down steps? Are you going to avoid steps for the rest of your life? If anything, his accident might make him a safer rider. Trust. That's the best you can do.***

TRINITY WANTS TO HEAR FROM YOU!

Do you have a question only a SEXPERT like Trinity can answer? Do you want some advice on women in general? Or do you just want to ask about her XXX-rated sex life? YEAH? Then write to Talking Dirty With Trinity, c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000, or send an email to trinity@bauer-media.com.au. She's waiting!

Get up ya SOOK!

SEPPO footy player and college athlete Nick Chubb was trying to plant his knee down on the two-yard line after a scrimmage when SHIT GOT REAL. That's right – his leg did the UNTHINKABLE after a tackle.

As the photo clearly shows, Nick's knee went the WRONG FUCKEN WAY entirely, leading to a nationwide collective gasp of horror and groans from anyone whose knees have ever experienced something similar.

Nick was carted off the field, lapsing in and out of consciousness and SWEARING LIKE A BASTARD.

Television network CBS played exactly ONE replay of the incident before one of the game's commentators said he was feeling A TOUCH QUEASY because of the footage's rather graphic nature.

Surprisingly, he won't need to undergo major surgery for this fucking awful injury, but he may not play footy again this season. According to doctors, Chubb hasn't torn his ACL (anterior cruciate ligament), so while no bones are broken, his leg will be out of play for some rest and rehab.

So he gets to sit on the couch for a few months touching himself – sounds like fucken HEAVEN. Get up, ya SOOK! Picture

That's right, I'm tweeting me heart out for the people. None of that what I-had-for-brekky or I-just-done a-big-poo stuff, just my usual classy shit. It's at:

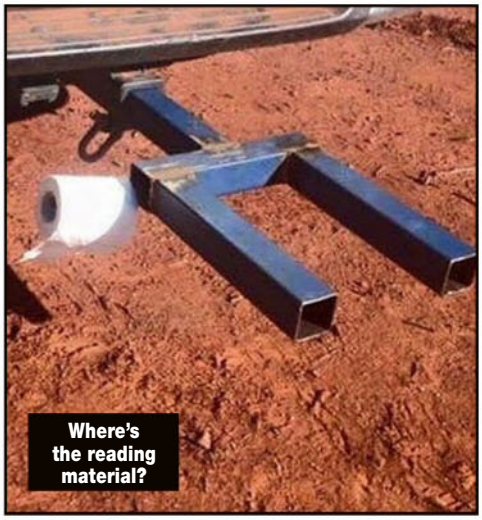
WOMAN CAVE!

IF BLOKES have man caves, what do woman have? And what sort of stuff would they have in there?

J.T., DULWICH HILL, NSW

MUNGO SAYS: An interesting question, J.T., and one I pondered long into the night. Here's what I thunk: Instead of stacks of The Picture mags, they'd have stacks of dieting magazines, 'cos they seem to like those. Chardonnay on tap, and a yooj plasma showing the shopping channel. Nude posters of blokes who host TV gardening shows. And on Melbourne Cup day, they'd all wear stupid hats. Yep, I knows wimmens, alrighty.



SHITTING PRETTY

HI MUNGO, I saw this tow bar toot up in the Red Centre. Just gotta make sure there are no goannas under the car.

M.S., OCEAN GROVE, VIC

MUNGO SAYS: Might be OK for a chick, but as a bloke, I'd feel pretty vulnerable with the kransky and spuds hanging down between the two bars. As you say, a passing goanna with a taste for some tender meat could do some real damage. I'll stick with ancient tribal tradition and hold on till the next servo.

HE TAKES A SCREAMER!

HEY Mungo, here we are at the AFL Grand Final ready to go and watch the Hawks smash the Eagles. Couldn't decide whether to read the Footy Record or The Picture. Picture won hands down. Or should that be pants down? Had a great day drinking cold beers and watching hot chicks. Footy was OK, too, if you like Hawthorn. Cheers.

WOZZA AND BIG J, BELMONT, VIC

MUNGO SAYS: Hang on – are you saying you sat in the crowd at the 'G' on AFL grand final day reading your PICTURE mag with your pants down? If so, my hat goes off to you, buddy. The fact you could even concentrate with that huge crowd going absolutely berserk around you, that's fantastic. I can lose my rhythm if the dog looks at me. Anyway, I hope you had a beaut day.

FREEZE A JOLLY GOOD FELLOW

G'DAY Mungo. You wanted shots of The Picture mag in exotic locations, you don't get any more exotic or remote than from a cruise ship in Glacier Bay, Alaska. Although the weather was a bit of a dick-shrinker, the scenery was fantastic.

P.L., MILDURA, VIC

MUNGO SAYS: Yeah, you wouldn't wanna whip it out for a quick al fresco tug up there or it might break off in your hand. Or a polar bear might have a crack at it. They reckon they're pretty vicious up there. Hope you took your boardies for doing bombs off the deck. And remember, there's no place like Nome.

DUKE OF NORK

I REALLY enjoy it when The Picture has features on babes with all-natural tits. You can't beat the look, and the feel, of natural tits as opposed to bolt-ons. I hope you have another one of those features soon, but I'm worried that without my expert help you might let some fakies sneak through. I tell ya what I'll do – I'll doublecheck all the girls' tits on computer, and if necessary even got out and check them personally, to make sure you don't slip up. I can't say fairer than that.

P.K., ELSTERNWICK, VIC

MUNGO SAYS: It's a fair offer, and we very much appreciate it, but you can fuck off to the back of the queue with all the other tit experts. Just because you have a university degree or trade qualification doesn't make you king of the tits. That only comes with years of practise. We live tits, breathe tits, eat and sleep tits. We ARE tits.

MUNGO WANTS TO KNOW...

Why does everyone keep asking me if I want another beer? Of course I want another beer. Just fucken get it. I can't stand around wasting time in idle conversation.

You're Joking

IT WAS a couple of days before Christmas, and the business man was anxious to get home from a business trip. The trip had been exhausting, and he was not in a good mood. The airport loudspeakers blared Christmas carols. The decorations were tacky. The worst decoration, he thought, was the plastic mistletoe hung over the luggage scale. He said to the woman at the counter, "You know, even if I weren't married, I wouldn't kiss you."

"That's not what it is there for," said the attendant. "It's so you can kiss your luggage goodbye."

DONALD Trump is visiting a school. They are in the middle of a discussion related to words and their meanings. The teacher asks Mr Trump if he would like to lead the discussion of the word "tragedy." So he asks the class for an example of a tragedy. One little boy stands up and offers: "If my best friend who lives on a farm, is playing in the field and a runaway tractor comes along and knocks him dead, that would be a tragedy."

"No," says Mr Trump, "That would be an accident."

A little girl raises her hand: "If a school bus carrying 50 children drove over a cliff, killing everyone inside, that would be a tragedy."

"I'm afraid not," explains the exalted businessman. "That's what we would call a great loss." The room goes silent. No other children volunteer. Mr Trump searches the room. "Isn't there someone here who can give me an example of a tragedy?"

Finally at the back of the room, little Johnny raises his hand. In a quiet voice, he says: "If a private jet carrying you was struck by a missile and blown to smithereens, that would be a tragedy."

"Fantastic!" exclaims Mr Trump, "That's right. And can you tell me why that would be a tragedy?" "Well," says the boy, "because it sure as hell wouldn't be a great loss and it probably wouldn't be an accident either."

DAVE'S room is a disgusting mess so his parents set to and clean it up. They discover a bondage magazine under a pile of books. "Oh my god," says his mother. "What should we do?"

"For one thing," says his dad. "I don't think we should spank him."

BILL says to his dad, "Did you take mum somewhere nice for your anniversary?"

"Oh yeah. The food was delicious, the service was great, and they gave us a bottle of champagne because it was our anniversary!"

"What was the place called?"asks Bill.

"Damned if I can remember. What's the flower? The one with lots of petals? Has a lovely scent?"

"Rose?" says Bill.

"That's it! Rose? Rose? What was the place we ate at yesterday called?"

S.T., ROSEVEL, WA

I WENT to see a hypnotist last night. He put seven blokes into a trance. Then he tripped over the mic lead and landed on his face. "Fuck me!" he shouted, getting up. What I saw then will haunt me the rest of my days.

B.N., WYTHENSHAWE, VIC

A BLOKE came back from lunch with a black eye and a split lip, so his co-workers asked what happened. "Well, I stepped in a big dog turd, slipped over and landed on my arse. I was standing there rubbing my arse when this other bloke came along, slipped in the same piece of dog shit and fell over. So I said, 'I just did that'. And then he hit me."

THIS WEEK: DOGS

Did you ever notice when you blow in a dog's face he gets mad at you? But when you take him in a car, the first thing he does is stick his head out the window.

THEY SAY THE DOG IS MAN'S BEST FRIEND. I DON'T BELIEVE THAT. HOW MANY OF YOUR FRIENDS HAVE YOU NEUTERED?

I have a great dog. She's half Labrador, half pit bull. A good combination. Sure, she might bite off my leg, but she'll always bring it back to me.

I BOUGHT MY GRANDMOTHER A SEEING-EYE DOG. BUT HE'S A LITTLE SADISTIC. HE DOES IMPRESSIONS OF CARS SCREECHING TO A HALT.

I know that dogs are pack animals, but it is difficult to imagine a pack of standard poodles... and if there was such a thing as a pack of standard poodles, where would they rove to? Tiffany's?

Rebekah's got us in a lather
THINGS GET FOAMY HERE...

DIRTY girls are great. But we also like it when they CLEAN UP THEIR ACT.

Sydney babe Rebekah, 21, ticks both BOXES, 'cos while she looks hot all sudsy and that, she also let us know she doesn't mind getting a bit FILTHY. Read on for all the SOAPY details...

So Rebekah, have you ever had sex in a bath?

"I have actually, it wasn't very good. It was really awkward."

Was that because the bloke was hogging all the room, or was the water too hot?

"Oh no, the guy was fine. And the temperature was fine as well. It was just awkward, not very comfy. The shower is much better than the bath, but I'd just prefer to have sex in bed."

If you could have sex anywhere, where would it be?

"I HAD SEX IN A BATH. IT WAS AWKWARD..."

"I'D DO IT ON THE HARBOUR BRIDGE AT 3AM"

"I don't know..."

The moon, maybe?

"Nah, that wouldn't be very good 'cos there's no gravity. It'd be hard to get any power into thrusts or anything."

OK, how about the beach?

"Nup. I've tried that, and it's definitely not what it's cracked up to be."

JEEZE, you're hard to please! How about Sydney Harbour Bridge?

"Yep, I'd do that. But only at 3:30 in the morning. It'd be a little dangerous, and a bit exciting."

How should a bloke approach you about organising some HOT BRIDGE ACTION?

"No cheesy pick-up lines. Just be casual, maybe try to be funny, but don't make any jokes about me. I guess the main thing is to just be different –

stand out from the crowd... oh, and don't yell at me from a distance; that's not very classy."

Are you a party girl?

"No, I'm a bit boring actually. I like to stay in and watch movies and read books."

Like THE PICTURE?

"Of course. And true crime novels – they're my favourite."

Being inside all the time, you must watch a lot of porn?

"I don't, I prefer to use my imagination."

Oh yeah? What do you think about when you're SPANKING THE PONY?

"Usually past experiences and, of course, a bit of girl-on-girl action is always good."

Yikes! Have you BUMPED DONUTS before?

"Yep. It was after a night out in Surfers Paradise with a good friend of mine. We were a little drunk and went to sex shop and bought a vibrator. One thing led to another and before you know it, we were trying out our new toy on one another."

Sounds like a barrel o' fun! Would ya give it another go?

"Never say never!"

We never do, Rebekah

OPHELIA

SANTIAGO, CUBA

POPULATION: 11 million
LANGUAGE: Spanish

SO, CUBA HUH? WHAT'S THE DEAL THERE?
AFTER nearly 50 years of strict trade embargoes and the heavy foot of the US being lifted off the neck of Cuba, things are finally starting to LOOK UP. So now there's a little more international leeway in the once-Soviet-supported country.

NO, WHO'S THE GIRL?
Her name is Ophelia, and she is the product of a mixed marriage between a Cuban father and a Chinese mother, which would account for her otherworldly, exotic looks and LICKABLE NORKS.

HOW HAS SHE FARED IN CUBA TIL NOW?
Ol' Fidel once boasted that even Cuban prostitutes had YOONI degrees, so it's no surprise that Ophelia has a degree in art preservation. Although she's currently employed in 'heavy lifting', she's still doing her part at preserving art by immortalising her beaut bod on the pages of *The Picture*.

WHAT ARE SHE AND HER FINE ARSE DOING NOW?
These days, Ophelia is happily single and looking for a boyfriend with whom to travel the world, taste exotic foods and give gobbies to, all while having UNBEATABLE life experiences. She also has vague plans to come

FOREIGN
PRINCESS

to Australia and root a large number of Aussie blokes.

VERY INTERESTING. WHAT ARE HER FAVOURITE POSITIONS?

Like many Latinas of similar age and disposition, Ophelia loves 69, oral, doggy and anal as well as a SMIDGE of vanilla face-to-face lovemaking, a position she reckons is very underrated. "It's not too hard to be really good at missionary sex," she lamented. "It's a very overlooked position, but can be extremely enjoyable, after a little bit of practice." The practice sounds pretty fun itself. ■ Picture

Amy is a 24-carat nympho!

YOU know how some little girls want to grow up to be models? Well, Amy, who's 18, never really grew out of that obsession. Nowadays, she only wants to do it with her CLOTHES OFF. "I just love being in front of the camera and seeing how the photos turn out," admitted the peen-hardening student from Sydney.

"I just wish I could put some of these up on my Instagram page."

We're pretty sure it'd BREAK the internet! Does nude modelling ever turn you on?

"Every now and then it does, especially if I've had a few drinks beforehand! I just think it's great I can make money for basically doing nothing."

What's your favourite part of yourself?

"I like the whole thing. I think my eyes are nice, but lots of guys seem to notice my boobs. They are natural and very perky."

We, er, HAD noticed. Do you have a bloke at the moment, or are you playing the field?

"I had a boyfriend, but we're having a break for a bit. I'm still having lots of sex, though. There are lots of hot guys in Sydney – especially this time of year with the weather warming up. It's not hard to meet somebody."

How often do you SCRUMP UP?

"Three times a day or more, sometimes."

What's the LATEST KINK you've been working on?

"I had sex in a car a few weeks back. It was really cramped, but it felt dirty doing it where somebody could maybe see. I love sneaky sex like that."

Where will you strike next?

"I don't know. It'd be great to do it on a train or something. Or maybe in the lift of a building? Just somewhere cheeky."

Tell us something you've never told anyone before.

My Sly Fuck

SPORTS MODEL

WHEN I was about 21 I was still living with my olds and getting the shits because living in the middle of deep suburbia really cramped my style with the babes. Life was fucked, until this married couple moved in next door.

Ron was about 50 and Marie was his trophy wife in her 30s. She was stacked and pretty much up for it, as I soon found out. They asked us all over for a drink one day, and in between pouring me big bourbon and cokes Marie kept standing up close and rubbing her thigh on me, and brushing her hand over my cock, that sort of thing. Her dumb hubby didn't seem to notice, and neither did my olds – they just kept yapping on about mortgages or some shit.

Eventually I was harder than old cheese, and figured we had to get out of there so we could tear off a root. Marie asked her hubby if she could show me the snappy sports car he had as a dick substitute, and we took off for a quick spin – as far as the local reserve where she backed it in among some trees before going down on me for the wettest, sloppiest blowjob of my young life.

I would've blown straight away, but she backed off and whipped her G-banger off before straddling me and grinding her pelvis like she was trying to break my back. She could grip, bend and rotate all at the same time – she was fantastic! Neither of us held out for very long, and once we'd collapsed in a spoofy heap, we got ourselves together and raced back.

As we walked in, the dopey hubby asked me: "Did you open her up? Handles great, doesn't she?" I just grinned like a fuckwit and mumbled: "Yeah."

PARTY POUNDING

I HAD given Todd the arse because he couldn't keep his hands off every other chick around, and I'd had enough of that. I hadn't quite had enough of his hot bod and big cock, though, so I when I ran into him at a party I immediately started to get wet at the thought of the top sex we'd had when we were together.

I was already hooked up with another guy, and Todd some drop-dead gorgeous model type on his arm, but we still couldn't help ourselves, we were practically drooling over each other from opposite ends of the room. I tried to have a casual chat with him, but I kept re-running the mental tapes of all the filthy things we'd done to each other over the months, and I couldn't concentrate on anything except how to get him out of there for one last fuck. Eventually I leaned in and whispered in his ear: "I want you to fuck me – NOW!" and he grinned and nodded. We did one of those look at your empty glass thingies, and strolled off pretending we were looking for more booze.

We scurried out through the backyard to the garage, and I locked the door behind us before immediately dropping to my knees to gobble his lovely cock. Figuring we didn't have a lot of time, I turned around, wriggled out of my knickers and lifted up my skirt so he could do me doggie-style as I best over the bonnet of the car. I was practically coming as soon as he slammed it into me, and my knees went all wobbly as he unleashed a massive load inside me.

It was the fuck we had to have to wrap our relationship up. Closure, I think they call it. And our respective dates never even missed us.

IT'S ALWAYS the same when you're just starting to go out with that one babe – you can't get enough of each other and have to root at every opportunity. Sometimes even a couple of hours are too long between fucks, so you end up doing it in all sorts of weird circumstances.

My strangest with my new girl Josie was a week or so after our first bonk, but before we'd told people we were a couple, so we were still trying to keep it on the QT. Eventually we found ourselves crowded together on the couch with people all around us, so Josie sat on my lap to make more room.

As soon as she did I could feel my dick go rock hard, knowing that only my jeans and her panties separated it from her moist smoo. I could feel her rocking back and forth on my cock, and knew she had the hots too, so I whispered in her ear to get ready, and slowly manoeuvred my throbber out of my pants, but hidden under her skirt.

At the same time, Josie reached down and pulled her panties aside to let me slide into her. Luckily there was some pretty loud music playing so nobody heard her moan as my cock slid deeper and deeper into her, and she started rocking back and forward just like she moving with the beat. Every now and then she'd tilt her hips back a bit and go a little harder, squeezing my cock with her pussy muscles until I was on the verge of letting my load go. I think she sensed it because right then she wriggled around furiously and had me splooging inside her before I could stop myself. Then she shuddered a bit and came, too. Nobody even noticed, but she left a big wet patch on the front of my jeans.

This week...

BEAUT BUM ASK THE HOMIES BEDROOM BABE TOP TITS

ADEL
MANUKAU, NZ

Beautician Adel, 21, has a thing for clothes – ones that are on the floor. "I enjoyed posing nude because I love being naked. As soon as I am home from work, the clothes come off. And swimming costumes should be banned." ***Where do you most like swimming starkers?*** "I have a friend with a pool. Or sometimes we head to a nudist beach. There is one on Waiheke Island and a few others we sometimes visit. Or we go at night to normal beaches and strip off." ***Ever been BUSTED?*** "Once by the cops. They just had a laugh and told us to get dressed. I think they were jealous of the guys with us."

TELL US ABOUT YOUR MOST MEMORABLE GROUP SEX ANTICS. "My most enjoyable threesome was my first: with a friend and her boyfriend. It was her birthday and he wanted to give her a little surprise. It was great as I had never been with a girl before. And he was pretty cute. I have had a few since then."

DAISY
BATTERY POINT, TAS

"I have been enjoying myself in the woodlands a few times, and very nearly been caught a few times too," says 23-year-old Pomgolian model, dancer and fire performance artist Daisy. "I feel most blessed about my body. I really like nude photography if it is done well, although I dislike being photographed in unflattering light. I shoot art nudes a lot." ***Where do you and your tits get shot?*** "I have shot in abandoned buildings, volcanic lakes... The list goes on. I really love to perform, because it makes me feel happy. I get to meet all sorts of interesting people. I always put 100 per cent effort into performing and modelling; I am very passionate about all three jobs." ***And away from nudity, cameras and potentially fatal fire, how do you enjoy yourself?*** "I like to paint, draw and make sculptures and collages."

TELL US ABOUT YOUR MOST MEMORABLE GROUP SEX ANTICS.

"I haven't even had a threesome."

Home Girls

BÉRÉNICE
MIRANDA, NSW

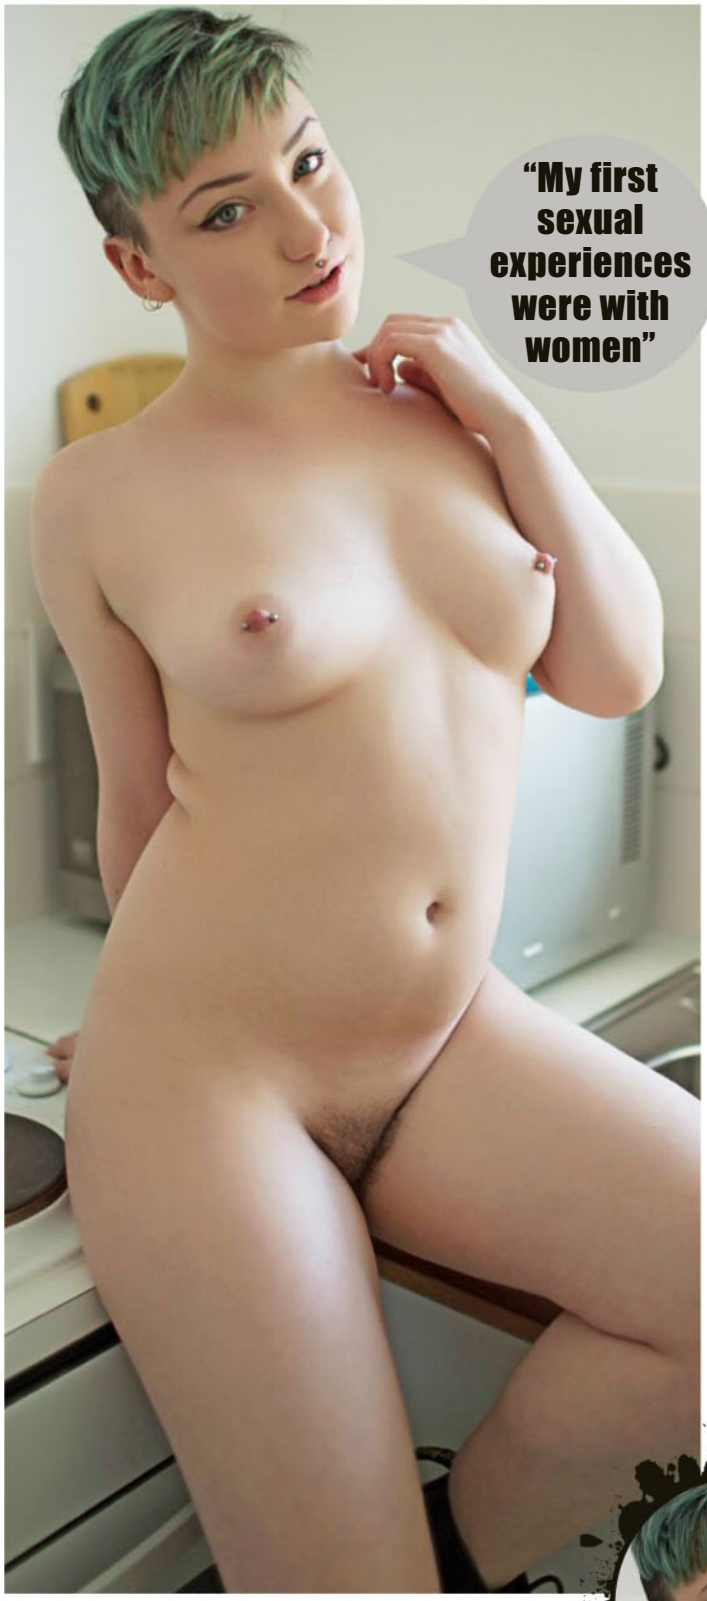
We're lucky to have gotten anything from 34-year-old model Bérénice, as she was rather distracted. "While I answer these questions, I am getting off on a train ride. My partner is masturbating me while I talk. The train is quite empty." ***If it's empty, maybe you should do more than just masturbate.*** "I am dressed in red to attract attention. No knickers under the pantyhose. And being rubbed through it with a leather glove. I never wear undies." ***What are you going to do next?*** "We are all dressed up to go for a brunch in town. The smoking room is often empty, so we will see what happens from there."

TELL US ABOUT YOUR MOST MEMORABLE GROUP SEX ANTICS. "It was my birthday, and my girlfriend's guy came to visit. She loves his big cock. And she shared him that night with me, a memory that puts a smile on my face."

JESSICA
DOVER HEIGHTS, NSW

"Ambitious, passionate and energetic" Spanish model Jessica, 25, "likes sex outside". ***We like it, full stop.*** "I would like to have more experiences in a lot of new and exciting places. My ultimate sexual fantasy maybe would be to have sex in an exotic place like Koh Yao Yai in Thailand. In a luxury resort. Once I did it in Madrid Airport's car park. I had just landed to meet a new boyfriend. We had only spoken by phone, so was the first time we meet each other in person. On the way to the car park and after we spoke a little, we start kissing very passionate because we had lots of physical attraction. So when we got to the car, which was a red Maserati, we start kissing again. So he sat me down over the car bonnet, pushed my skirt up and we had the best sex we had ever had in front of the parking cam."

TELL US ABOUT YOUR MOST MEMORABLE GROUP SEX ANTICS. "I did a trio – me, a girlfriend and a boyfriend – and I didn't like the experience. I have no more to add."



"My first sexual experiences were with women"

BLATH

COLLEGE PARK, SA

"I think I'd like to live in a world populated by lady androids that've eliminated the need for men," says 22-year-old model and CAM GIRL, Blath. "We could shoot lasers out of our nipples and make each other tea. Also we'd run on renewable energy sources because what's sexier than being environmentally responsible? I am turned on by the idea of lady androids with laser nipples." ***Have you practised for your lady android encounters with real ladies?*** "I've had a lesbian foursome on a velvet couch in Paris, I've done nude kissing on a bed of flowers with two very pretty girls. All my first sexual experiences were with women."

TELL US ABOUT YOUR MOST MEMORABLE GROUP SEX ANTICS.

"My first one was actually pretty gorgeous. I was on a trip to Scotland with a girlfriend, and we met a handsome hippy artist with soft hair and silly trousers. We ended up making love with wine-stained lips in the 5am dawn light while listening to '60s rock ballads."

"I think you look great naked. I want to see you in the magazine again. I will happily marry you if you want to stay in Australia. But you'll have to wait for me to get out of jail."
BRIAN, SILVERWATER NSW

BABS SAYS: ***"I can imagine the first time we would fuck. All that built-up frustration. And I like it rough! I wouldn't be able to walk for a week. We'll see about me staying in the country after that."***

AMBER
BRUNSWICK, VIC

$30 ASK THE HOMIES

"Hey Amber, I wish I was as brave as you; posing nude and running away to join the circus. How can you do it all?"
SELINA, EAST PERTH WA

AMBER SAYS: ***"Running away to join the circus is still on my bucket list and friends are always welcome to take the plunge with me."***

KAT-FERN
SURRY HILLS, NSW

Charity sales spruiker Kat-Fern, 27, is also a singer who occasionally gets on the wrong side of bar staff. "I once got kicked out of a pub when I took my shirt off while singing at a gig." ***We struggle to understand what you did wrong.*** "I was with a rock band I formed with some mates. I was caught up in the music, and it felt more natural that way." ***Where else do you get your TITS OUT?*** "Just skinny-dipping. I used to go at the ti-tree lake near Ballina when I lived up there." ***What do you like about it?*** "I mostly like that there are no swimmers or clothes to wash." ***Very practical! Sex in the water or on the beach: your opinion?*** "Meh, I can't stand the sand and in the water, you can't really get enough leverage." ***Sounds like the ideal version of a dry ride.*** **TELL US ABOUT YOUR MOST MEMORABLE GROUP SEX ANTICS.** "Haven't had any, although being involved in a couple of intimate relationships at once can be quite enjoyable."

"Women have such soft skin"

VINCENT

COLLEGE PARK, SA

"I like my body because it contains qualities of a female, like a curvy bottom, and a teen's upper body and face," says 24-year-old Polish singer Vincent. "I also have quite an athletic back and legs as I cycle a lot and used to do horse-riding." ***Who do you wrap those legs around now?*** "Women have such a soft skin. I love their smaller, more delicate lips. It all makes the sex so angelic."

TELL US ABOUT YOUR MOST MEMORABLE GROUP SEX ANTICS. "It's hard to say if I have had any. Once I met a lesbian couple in a club, they invited me for a private party at their house. I went with them in the taxi happy that I didn't have to be in that dull club anymore. And when we arrived, it turned out that the only people in the house are three of us. They started to have sex after sharing with me all the bottles of alcohol they had in their place. I was just watching them. I wasn't attracted to them. After an hour, I left to see the early morning city rush."

SAZ
CARINA, QLD

"My middle name is Naughty," says 31-year-old promo model Saz. ***Better than 'Doris' or 'Bill'.*** "Everything for me at the moment is naughty and kinky." ***Our readers demand examples.*** "Sure. Anal sex; loving it. I haven't always. I am exploring my sexuality using objects like bottles, cucumbers and anything else our naughty little minds cook up. I am thoroughly enjoying myself. Lots of flicking the bean, too."

TELL US ABOUT YOUR MOST MEMORABLE GROUP SEX ANTICS. "The funniest, most random threesome involves my best friend and my fuck buddy at the time. My bestie, plus wine by the bucket rock up at my fuck buddy's place. We stripteased into the warm spa and passionately kissed. We gently fingerbashed each other and decided to run naked back to his unit, him still catching drool, and continue to 69 on his bed. It worked for us as we worked on each other climaxing simultaneously. Oh my god."

I also love getting the hands dirty. Now I have started my own cleaning business." ***Sounds like you wouldn't be happy STUCK in an office.*** "I am a country girl and have nearly always lived on a farm or a property. I am a girl who loves being outside and trying new things." ***Does trying new things outside include al fresco sex?*** "It sometimes includes sex."

What else gets you all excited between the sheets? "It is just depending where and if it is the right time. At the moment I am in a happy relationship. We have a great sexual life. Trying different styles in bed is what makes things extremely fun, but when you love someone it makes things a lot more enjoyable and more comfortable."

New Caledonian spunk Elle, 23, is happy to get up and close to 24-year-old French *hottois* Lana. **Elle:** "Lana is a bubbly lady, and her hair popped my eyes." **Lana:** "I don't remember popping anyone's eyes!" ***Have you had much sex with les ladies in the past?*** **Elle:** "I love women. I am used to their bodies, and I like their soft skin." **Lana:** "How could you not want a sweet girl like Elle on your tongue?" ***How do your accents compare?***

Elle: "Lana has a typically sexy French accent." **Lana:** "You don't hear so many New Caledonian accents back in France. Which is a pity, as Elle sounds good. She makes me so wet."

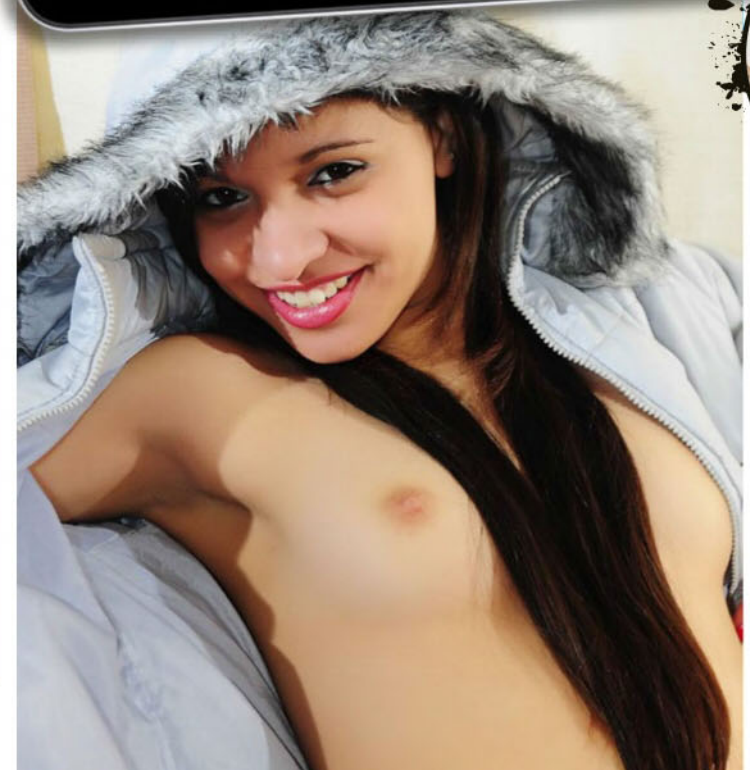
Elle: "I actually had an amazing threesome two weeks ago with two gorgeous ladies. We were all really horny, but comfortable with each other. Best threesome I have had up to now."

Lana: "My best was when I was drunk with some friends while on holidays. It was a memorable time. Everyone should try it."

$400 HOMIE OF THE WEEK



TRACY
BELCONNEN, ACT

There's not a whole lot to do down in our country's capital, unless you're a pollie, a porn freak or a YOONI student. Tracy, 22, is none of those people, so she must have a pretty dull time down there. "I love living in Canberra; there's always someone to have a drink with!" ***So you like to whet your whistle?*** "You betcha! There's always interesting people down here to have a drink with, I schmooze with one certain politician on the reg. I think he has a crush on me…" ***Is it Barnaby Joyce, that old dog?*** "No, not Barnaby, although I think he's kinda cute." ***Who was it then? One of those friendly GREENIES?*** "I can't give you a name 'cos he'll get in trouble, he might even be married." ***JEEZUS, you like to live on the edge.*** "I've been with a married man before and it really turns me on knowing they belong to someone else – it kinda feels like I'm stealing or something." ***You're a maneater! Wives of Canberra, lock up your hubbies, Tracy's about!***

GO FACT YOURSELF!

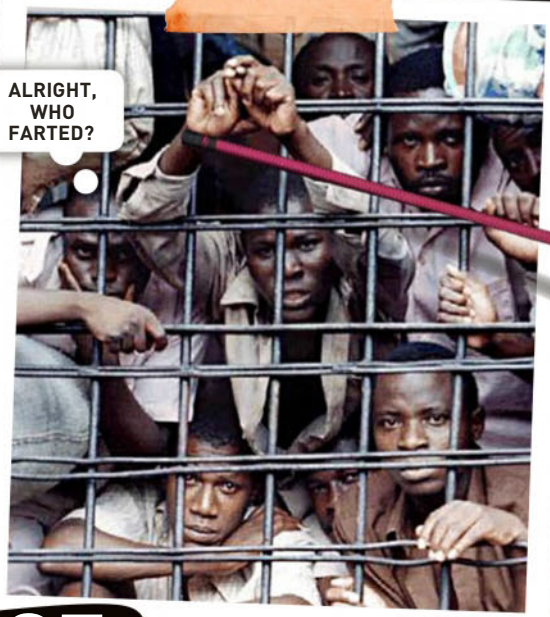
THIS ISSUE: DEADLY PRISONS

01. Either French crooks are a buncha FAIRIES or La Santé Prison in France is truly a soul-destroying place. More than 100 prisoners commit suicide each year.

02. In La Sabaneta, Venezuela, 36,000 inmates are crammed like sardines into a facility built for 15,000, with one guard for every 150 inmates.

03. Kwan-li-so No. 22 is North Korea's maximum security prison. The inmates live off 180g of corn a day, but add rats, snakes and frogs to their diet.

04. Inmates of Saudi Arabian prison Al-Ha'ir, deal with terrible conditions. One said he was held in a padded cell with fluorescent lights burning 24/7 and no contact with the outside world.



05. There are reports of cannibalism at Rwanda's Gitarama prison. With over 6000 prisoners crammed inside a site designed for just 500, there's never a shortage of food... if you're fine with CHOWING down your cell-mate.

06. Black Beach might sound like a gnarly surf spot, but it's a prison in Equatorial Guinea. Starvation is common; burnings and OLD-FASHIONED thumpings a common occurrence.

07. Most prisoners at Petak Island would be six feet under if Russia still had the death penalty. And after 22.5 hours of the day in their cells, a few of them probably wish they were.

08. No inmate at Bangkwang, Thailand is in for less than 25 years, so you know these bastards aren't in for no bread-stealing. For the first three months, you're in leg irons, and if you're on death row, the leg irons are permanently welded on.

09. It's not often you'll find a prison where the guards have committed worse crimes than the inmates, but Tadmor Military Prison in Syria is just that. Guards are known to have attacked inmates with axes, tied them up with rope and dragged them to death, and beaten them with metal pipes.
